Travel and explore England and Spain...

Experience a blend of the English countryside and historic city as your program begins at the University of Chester in northern England, and progresses to London all with a focus on English culture and business practices. You will then have the opportunity to compare the English experience with the culture and business practices of Spain with a memorable experience in Madrid and the surrounding region.

Spend time studying in China and Japan...

Start your program in the historic yet modern capital of China, Beijing, with Duquesne University’s long time academic partners at Jiaotong University. Experience both contemporary and ancient cultures of the world’s third most populous city, and the surrounding region. The second segment of the program will allow you to compare the Chinese culture and business practices to those of Japan, with cultural and company visits in Tokyo, Japan.

Discover and tour Hungary and Ireland...

The program begins in a city that once you visit you will not want to leave, Budapest. This culturally rich old city pair on the Danube River is a hub for business in Eastern Europe and the great Duquesne academic partners from Central European University provide an unforgettable business and cultural experience. After a tearful goodbye to Budapest, you will travel to Dublin, Ireland and stay in the Duquesne University dorm – St. Michaels House where we partner with University College of Dublin for a memorable Irish business and cultural experience.
