14TH ANNUAL
VETERANS DAY
BREAKFAST
KEYNOTE SPEAKER

General Michael Hayden, a retired United States Air Force general, grew up in Pittsburgh's North Side and entered active duty in 1969 after earning a bachelor's degree in history in 1967 and a master's degree in modern American history in 1969, both from Duquesne University.

General Hayden distinguished himself in service to America as Director of the National Security Agency (1999 to 2006) and Director of the Central Intelligence Agency (2006 to 2009). General Hayden also served as Commander of the Air Intelligence Agency and as Director of the Joint Command and Control Warfare Center. He has served in senior staff positions at the Pentagon, Headquarters U.S. European Command, National Security Council and the U.S. Embassy in the People's Republic of Bulgaria. The general has also served as Deputy Chief of Staff, United Nations Command and U.S. Forces Korea, Yongsan Army Garrison, South Korea. He also was the Principal Deputy Director of National Intelligence, the first person to serve in that position. General Hayden retired from the Air Force after 38 years of active duty military service in 2008.

More than 40 years ago, General Hayden brought his traditional Pittsburgh values, keen intellect, creativity and leadership skills to our Bluff, where they were honed in the classroom and in military drills. Throughout his career, he employed the same vital qualities as he worked to keep our homeland and its citizens safe and secure. We welcome General Hayden to the 14th Annual Veterans Day Breakfast.
