

“Duquesne University offers a top-notch program at a top-tier university that has directly enhanced my abilities as a senior military leader. The program offered me the flexibility to continue the course online while I was deployed to Kyrgyzstan and then immediately return to the classroom upon redeployment. I would highly recommend the School of Leadership to any aspiring military or civilian leader.”

— David MacMillan, Colonel
Operations Group Commander

“As an officer in the United States Army, leadership is an integral part of my career. To formally learn about leadership traits, behaviors and relationships has allowed me to become a better leader in the eyes of my followers and leaders alike. Furthermore, studying the ethics of business has broadened my perspective of leadership and helped me to gain a new respect for the moral courage required to do the right thing when no one is looking.”

— Phil L. Aubel, MAJ, FA, PAARNG
Administrative Officer, 166th REG. (Combat Arms)
