

Faculty Research Interests

PhD and DNP Faculty			
<i>Name</i>	<i>Phone</i>	<i>Email Address</i>	<i>Research Interests</i>
Alison Colbert, PhD, APRN, BC	412-396-1511	colberta@duq.edu	Community health, incarcerated adults, health literacy, HIV/AIDS/infectious disease, adherence, health promotion and care in vulnerable populations
Mark Crider, PhD, MSN, BS	412-396-2308	criderm@duq.edu	Community mental health, psycho-social rehabilitation and chronic mental illness, health policy, leadership development and professions
Bonnie Dean, PhD, RN	412-396-6534	deanb@duq.edu	Simulation performance evaluation in laboratory/clinical settings, patient safety/quality, outcomes assessment
Sister Rosemary Donley, PhD, ANP-BS, FAAN	412-396-6555	donleyr@duq.edu	Vulnerable populations, social justice, nursing education
Linda Goodfellow, PhD, RN	412-396-6548	goodfellow@duq.edu	Complementary therapies, oncology, caregiver stress, psychoneuroimmunology, health promotion
Mary Elizabeth Guimond, PhD, WHNP-BC	412-396-1386	guimondm@duq.edu	Evaluation of educational technologies in nursing education, women's health (adolescent STI, ovarian cancer screening, menopause)
Elaine Hardy, PhD, MS, RN	412-396-4231	hardye@duq.edu	Women's health, physical activity, obesity and social cognitive theory
Michalene King, PhD, RN	412-396-6544	kingm1@duq.edu	Faith community/parish nursing, spiritual well-being, clinical simulation (high-fidelity and standardized patients)
Linda Koharchik DNP, MSN, CNA-BC	412-396-4229	koharchikl@duq.edu	Medical-surgical nursing, nursing administration and evidence-based nursing practice
Rebecca Kronk, PhD, CRNP	412-396-4228	kronkr@duq.edu	Sleep in children, vulnerable pediatric populations (i.e. Fragile X syndrome) and autism
Charles Larew, PhD, RN	412-396-1032	larewc@duq.edu	Clinical simulation methods for teaching and evaluation, internet based research methods, family caregiver education and quality of life measurement
Joan Such Lockhart, PhD, RN, CORLN, AOCN, CNE, FAAN	412-396-6540	lockhart@duq.edu	Health promotion/early detection (chronic disease such as cancer/heart disease), vulnerable, high-risk, culturally diverse populations, and nursing education

PhD and DNP Faculty			
Denise Lucas, PhD, RN, CRNP	412-396-4230	lucasd2495@duq.edu	Women, working women who remain poor, the uninsured, well-being, learned resourcefulness
Carolyn Nickerson, EdD, MA, MSN, RN	412-396-6552	nickersonc@duq.edu	Spiritual self-care in relation to health and healing, young adult/adult learning and development, particularly cognitive development, curriculum design in nursing education
Joyce Ott, DNP, RN	412-396-6537	ottj1@duq.edu	Shared governance, mental health issues, behavioral health simulation
Karen Paraska, PhD, RN	412-396-6543	paraskak@duq.edu	Oncology, barriers to mammography screening, chronic disease self-management, health promotion in nursing, self-efficacy, and Health Belief Model
Lenore Resick, PhD, RN, CRNP, APRN, BC, NP-C	412-396-5228	resick@duq.edu	Vulnerable populations, culturally diverse groups, Russian and Iraqi refugee women, older adults, older African Americans and wellness, health of immigrant/refugee families, Appalachian culture and women's health and environmental health issues
Luann Richardson, PhD, RN, NP-C	412-396-6459	Richardson@duq.edu	Clinical cardiology, smoking cessation, heart failure, depression in heart disease, health promotion strategies, integrating mental health into primary care
Khlood Salmon, DrPH, RN	412-396-1509	salmank@duq.edu	Health promotion and disease prevention related to chronic diseases, focusing specifically on women's health issues (such as cancer screening) and health issues associated with immigrant and refugee status. Global/international health issues, environmental health, and interfaith dialogue studies.
Kathleen Sekula, PhD, APRN	412-396-4865	sekula@duq.edu	Vulnerable populations, victims of violence, domestic violence, sexual assault
Lynn Simko, PhD, RN, CCRN	412-396-5096	simko@duq.edu	Quality of life, congenital heart disease, intensive care nursing, simulation and student outcomes, quantitative research
Melanie Turk, PhD, RN	412-396-1817	turkm@duq.edu	Obesity, weight loss and maintenance, health promotion and CVD risk reduction
Rick Zoucha, DNSc, APRN	412-396-6545	zoucha@duq.edu	Community based research, psychiatric nursing, transcultural/international nursing, cultural competence/Mexican Americans, African Americans, refugee/immigrants health needs
Eileen Zungolo, EdD, RN, FAAN, CNE	412-396-6554	zungolo@duq.edu	Education issues, curriculum, student learning, teaching practices, addictions, spiritual domain of recovery

Nancy Brom, MSN, RN	412-396-4509	brom@duq.edu	Medical-surgical nursing, clinical critical care, OB and teaching strategies
Diane Colizza, MN, RN, APRN, BC	412-396-6542	colizza@duq.edu	Pediatrics, pediatric trauma, preceptored experiences
Leah Cunningham, MNEd, RN	412-396-6383	cunningh@duq.edu	End of life issues in oncology nursing, cervical cancer, international research, gerontology, end of life, palliative care, curriculum design
Carolyn Griffin, MSN, RN	412-396-6548	griffinc1399@duq.edu	Diabetic care issues, clinical research, student evaluation, goals outcomes
Rosanna Henry, MSN, RN	412-396-6120	henryr@duq.edu	Skill acquisition and simulation
Karen Jakub, MSN, BSN, RN	412-396-6535	jakubk@duq.edu	Chronic heart disease, qualitative research methods, technology interventions for cardiac arrhythmias
Maureen Leonardo, MN, CNE, CRNP, BC	412-396-6539	leonardo@duq.edu	Older adult and primary care - clinical research
Debra Lewis, MSN, RN, CPN	412-396-5227	lewisd@duq.edu	Simulation, NCLEX
Kathy Mayle, MNEd, MBA, RN	412-396-5204	mayle@duq.edu	Nursing administration, diversity, minority recruitment and retention, community networking
Cindy Walters, MSN, RN	412-396-1531	walters362@duq.edu	Forensic nursing, incarcerated women & exercise
Yvonne Weideman, MSN, RN	412-396-4508	weideman@duq.edu	Nutrition in sports related activities
Kathy Wilt, MSN, RN	412-396-1282	wiltk@duq.edu	Medical/surgical nursing, community health nursing and health promotion, simulation, ethics
