self care competition**

Congratulations to student pharmacists Chris Oczypok, Peter Sullivan, and Craig Bieltz, winners of the Duquesne University Self Care Competition. It was a tight race to the finish with a record 18 teams (54 students) competing!

Chris, Peter, and Craig will go represent Duquesne at the PPA State Competition to be held in Harrisburg on Friday, February 10th.

We would like to thank Giant Eagle for sponsoring the competition, especially the support of alumnus, John DeJames. Thank you also to all the faculty and staff participants who helped to make the event successful.

Congratulations to all of our student participants!
