Beta Beta Beta Biological Honors Society
Xi Psi Chapter

Membership Information

Anyone with a sincere interest in the biological sciences can become a member of the Xi Psi chapter. The membership requirements are as follows:

Regular Membership
- Completion of at least three courses in biology (including at least one course above the 100 level)
- Current GPA of 3.00 or higher in biology courses
- Good overall academic standing

Associate Membership
- Undergraduate status
- Sincere interest in the biological sciences

Graduate Membership
- Current enrollment in a biology curriculum
- Current GPA of 3.00 or higher

Regular members receive national and local recognition, as well as honor cords to wear at graduation. Associate and graduate members can participate in all chapter activities, except holding offices and voting in chapter elections. Freshmen, first semester sophomores and any upperclassmen who do not meet the regular membership requirements should apply for an associate membership. Associate memberships may be upgraded upon fulfillment of the requirements for a regular membership.

To apply, complete the attached two-page application. If applying for a regular or graduate membership, an unofficial copy of your current transcript is required. Dues will be paid upon acceptance and are $40.00 for regular membership, $30.00 for graduate, $25.00 for associate and $15.00 for upgraded memberships.

Completed applications are due in the TriBeta mailbox located in the Biology Office, 200 Mellon Hall.
