Speaker Series Event

The spring speaker series event will take place Thursday April 16th at 6:00 pm in Canevin Room 108. The Spring Speaker Series will consist of a panel of students (both Psy.D. and Ph.D.) who have recently gone through the internship application process. Discussion may include the APPIC process, applying in vs. out of state, and what steps students should be taking now to be competitive applicants.

PRAXIS Information

There will be an informational meeting for second-year students regarding the PRAXIS Wednesday, April 15th at 4:00 in Canevin 411B. Students with PRAXIS experience will discuss study habits, offer advice, and share study materials.
Reminder!

SES Surveys available now!

Students can take the new and improved SES survey under “My Surveys” on blackboard, or by clicking here:

Let your voice be heard!

Upcoming Volunteer Event

SASP is tentatively planning to have a service activity to take the students of Propel Elementary School to a Science Research Convention here in Pittsburgh on May 14th from 8am-4pm. High school students from around the world present different types of science projects and we would walk the elementary students around the exhibit.

If you are available and think you would like to participate in this amazing opportunity please let us know!

Congrats to Internship Students!!

We’d like to take a moment and congratulate all of the students who will be leaving us for internship next year. We’ll miss you!

Next month, we will send out a list of where our students are headed!
