Courses for students who were admitted to the Honors College during or after their freshman year at Duquesne – did not start taking honors courses fall freshman year.

Note: Biomedical Engineering students can follow the list of courses for students admitted before freshman year, since BMEs do not start UCOR classes until sophomore year.

Choose any six of the following, to suit requirements you have not yet met in UCOR, and/or to complete an Honors Portfolio if you have already done most of your UCOR classes:

- HONR 104 Honors Inquiry I (offered in Fall) (replaces UCOR 101)
- HONR 105 Honors Inquiry II (offered in Spring) (replaces UCOR 102 or Literature for Liberal Arts majors)
