Welcome to Duquesne University!

I am delighted to know that you will join the Duquesne family for the fall semester. There is a lot to take care of before the academic year begins and we know it gets a little overwhelming.

1. Visit www.duq.edu/multipass to create your MultiPass password.
2. Visit www.duq.edu/newstudents.
3. Follow the instructions to login to DORI with your MultiPass information.

This brochure outlines the most important tasks, information and dates you need to know. The New Student Information website contains a great deal of additional information. We strongly encourage you to use that resource.

We look forward to meeting you and getting to know you in the fall.

Yours sincerely in the Holy Spirit,
Adam T. Wasilko
Director of Freshman Development and Director of Disability Services

For more information, please contact the Office of Freshman Development at 412.396.6657 or freshmandev@duq.edu

Submit your housing agreement and preference questionnaire
To sign up for on-campus housing please visit the new student portal. We will do our best to honor your requests. Housing assignments will be available later this summer.

Duquesne Campus Residency Policy
All freshmen and sophomore students are required to reside on campus or commute from their parents’ home. More information, including the campus residency waiver request form, can be found on the new student portal.

Complete your REQUIRED health and immunization forms
All new students must complete and submit their Health History and Immunization Verification Form in DORI portal—Go-To—Student—Health Service Student Portal.

Find out who your advisor is
Determining your academic interests, major and the classes you need to succeed in college can be exciting and challenging. Find out who your advisor is to help you along the way.

In the DORI portal—Find Student Tab—Student Records—View Student Information and the academic program, school, major and advisor name will be listed.

Find your tuition bill and add your parents to your student account
The Student Accounts Office posts your tuition bill online and helps students and parents understand their financial obligations. If students do not waive the insurance, they will be auto enrolled in the CampusCare Plan. If your son or daughter will be a first-time borrower of a Federal Direct Stafford Loan, they must complete the required Master Promissory Note and Entrance Counseling online at www.studentloans.gov. Funds will not be released to your student’s account until these federal requirements are completed.

Register for Emergency Alert voice messages
DU Emergency Alert refers to an automated notification system that is used to contact students in the event of an emergency. Register online at www.duq.edu/dualert.

Get connected with email and the Internet
CTS strives to provide the Duquesne community with the highest level of service and technological resources possible. For any technology-related questions, stop by our Help Desk in the Duquesne Union, 2nd floor, visit www.duq.edu/cts or call 412.396.4357.

Confirm your health insurance coverage (to avoid being billed)
All Duquesne University full-time students must have adequate medical insurance coverage. If students do not waive the insurance, they will be auto-enrolled in the University Plan and their account will be charged. Learn more at www.duq.edu/health-insurance.

Complete the Sexual Violence Awareness Program
Along with Duquesne University’s overarching concern for the health, safety and well-being of every student, the University’s mission includes the promotion of a profound respect for the dignity of each person. Federal Title IX legislation requires that all colleges and universities educate the university community, including students, on sexual violence awareness. Duquesne University therefore asks that all new students complete a mandatory Sexual Violence Awareness Program. More information will be provided at the FAST program and on the New Student website.

Register for the Orientation Student Life Vice President talk and Parent Dinner
The Student Life Office posts the tuition bill online and helps parents understand their financial responsibilities. Your son or daughter must take action to add you to their account as their “Authorized Payee.” Once they have completed this step, you will receive an email and then have access to their account and permission to speak to the Student Accounts Office. Visit www.duq.edu/studentaccounts for additional information.

Complete New Student Family Information Form
The Office of Parent Relations encourages you to share in the enthusiasm of campus life by taking part in student and alumni activities whenever possible. Please visit www.duq.edu/newparentform and complete the form. For your reference, your son or daughter’s student ID number is listed on their letter of admission.

Get involved with Spiritan Campus Ministry
Spiritan Campus Ministry invites you to get involved even before classes start. Campus Ministry opportunities including music, reading and after service are available with a minimal amount of training and a maximum benefit of service. Find our volunteer form in DORI and learn more at www.duq.edu/campusministry.

Visit Gumberg Library, the most popular study spot on campus
QuickSearch, E-Z Borrow, ProQuest, EndNote...The list goes on! Get a jump on the academic year.

Save the Duquesne emergency number
Program 412.396.COPS (2677) in your cell phone for on-campus emergencies.

Register with the Office of Disability Services
