WELCOME TO DUQUESNE UNIVERSITY!

I am delighted to know that you will join the Duquesne family for the fall semester. There is a lot to take care of before the academic year begins and we know it gets a little overwhelming.

1. Visit www.duq.edu/multipass to create your MultiPass password.
2. Visit www.duq.edu/newstudents.
3. Follow the instructions to login to DORI with your MultiPass information.

This brochure outlines the important tasks, information and dates you need to know. The New Student Information website contains a great deal of additional information. We strongly encourage you to use that resource.

We look forward to meeting you and getting to know you in the fall.

Your sincerely in the Holy Spirit,

Adam T. Wasilko
Director of Freshman Development and Director of Disability Services
