The following list is a current bibliography of encyclopedias, indexes, and single and multi-volume treatises available for Pennsylvania legal research. For pre-1990 publications, see Joel Fishman, *Bibliography of Pennsylvania Law: Secondary Sources* (1993). KFP75 .F57 1993

This bibliography includes new citations to annual/biennial Pennsylvania Bar Institute seminar publications that are important sources of keeping up-to-date on current legal developments. Other major CLE providers of Pennsylvania law include Lorman Publications, National Business Institute, Professional Education Systems, Inc., and Pennsylvania Association of Justice (formerly Pennsylvania Trial Lawyers Association).

For publications that are updated annually, we have provided the first and last date for the entry.
