

Internal Transfer Students

Students who are interested in transferring to the School of Business must:

- » Complete MATH 101 Calculus with Algebra I, MATH 111 Calculus for Non-Science Students or MATH 115 Calculus I (with a “C” or better)
- » Have a cumulative GPA of at least a 2.0
- » Have an overall Business GPA of at least a 2.0
- » Submit the Business School internal transfer application
- » Submit Internal Transfer Form from current advisor

Access the Internal Transfer Student Application

Please DO NOT submit an application until you have currently registered for or have completed MATH 101 or higher.

If Transfer Student Application link does not redirect you to DORI, go to: www.duq.edu/dori

- » Select Index (top right of DORI page)
- » Select Academics at the top of the page
- » Select Business on the right side navigation
- » Select Undergraduate Student Resources
- » Select Internal Transfer

Students may run a What-If Analysis in DORI to confirm which credits will transfer:

- » Select Student Information
- » Select Registration
- » Select Review Academic Program Progress (RAPP)
- » Select What-If Analysis at the bottom of the page
- » Select Start Term
- » Select School of Business and follow the prompts to enter major/minor
