RESEARCH GRANTS RECEIVED

Community Engagement Pathways Grant (2016-2018)

Team member with Dr. Kathleen Roberts, and Kathy Glass receiving approximately \$12,000. The purpose of the grant is to redesign and evaluate the community engagement with the new two-tier intentional model for the Honor's College. We are teaming with the August and Daisy Wilson Artist Community and the historical August Wilson house to provide a community partner for student learning.

Williams Foundation Grant (2016)

Approximately \$5000 awarded through the University of Buenos Aires. The purpose of the grant is to facilitate the exchange of ideas between US and Argentinian scholars. It funded my travel, presentation, and teaching at Universidad de Buenos Aires and the Universidad Nacional de General Sarmiento during the first week of March in 2016.

Duquesne University Gaultier Fellowship (2015)

\$3000 University grant to support my research and teaching around the issue of community engagement.

Duquesne University College of Liberal Arts NEH Grant (2014)

I was awarded a 2014 Duquesne University College of Liberal Arts NEH grant for “up to \$5000 to support activities on campus for an interdisciplinary environmental conservation project related to the passenger pigeon extinction.

Applied Urban Communication Research Grant (April 2011)

Awarded by the Urban Communication Association at the Eastern Communication Association Annual Conference – \$1000 seed money for new research project received, Arlington, VA

Community Engagement Scholar Grant (Fall 2009- Spring 2014)

Received funding to host two departmental MA students to do service-learning work. The grant was funding from the VISTA program allocated by Duquesne University’s Office of Service-Learning. Funding for two students of approximately \$2000-\$3000 per year.

Duquesne University College of Liberal Arts NEH Grant (2010)

I was awarded a 2010 Duquesne University College of Liberal Arts NEH grant for \$5000. This helped me organize and develop the 2010 Communication Ethics Conference, which yielded my edited book project.

Purdue Research Foundation (Dissertation Grant)

July 2004 - July 2005. Estimated amount \$15,000. “A Phenomenological Investigation of the Child-Animal Bond” (Competitively selected grant with full year of funding given to a limited number of doctoral students across departments in the university.)

Purdue Research Foundation Grant

May 2005. Estimated amount \$2,500.
