REVIEWS

Revista Redbioetica: paper ‘Bioethics, Health and the environment: some ethical concerns in the Caribbean’ (September 2010)

Primary Psychiatry: paper ‘Dementia and palliative care’ (October 2010)

Social Science and Medicine: paper ‘Incorporating social values and ethics in health technology assessment’ (November 2010)

Journal of Medical Ethics; paper ‘Academic freedom and global health’ (December 2010)

Journal of Medicine and Philosophy, manuscript ‘Bioethics, cultural differences and the problem of moral disagreements in end-of-life care. A terror management theory (February 2011)

Theoretical Medicine & Bioethics, manuscript ‘Self-determination and the suicidal experience. A phenomenological approach (February 2011)

Social Science & Medicine, revised manuscript ‘Eliciting ethical and social values in health technology assessment; a participatory approach (February 2011)

Bioethics, manuscript ‘Palliative sedation: a little less normal medical practice. Ethical reflections on the Royal Dutch Medical Association’s guideline on palliative sedation (July 2011)

Science and Engineering Ethics, manuscript ‘Data sharing and dual-use issues (June 2011)

Journal of Medicine and Philosophy, revised manuscript ‘Bioethics, cultural differences and the problem of moral disagreements in end-of-life care. A terror management theory (August 2011)

Medical Humanities, manuscript ‘Illness as a condition of our existence in the world: On illness and pathic existence’ (September 2011)

Hastings Center Report, manuscript ‘Capability and disability. A capabilities approach’s view on the UNCRPD’ (December 2011)

Theoretical Medicine and Bioethics, Manuscript ‘The role of peer review in controversial science’ (March 2012).

RESEARCH PROJECTS

(a) International projects

- * THE ETHICAL QALY: An investigation of the ethical implications of measures of quality of life applicable to a range of diseases and health states for use in the allocation of resources in prevention, diagnosis and treatment.
European Commission Research Project 1993-1994
Project coordinator: Andrew Edgar, Centre for Applied Ethics, University of Wales College of Cardiff, Cardiff, United Kingdom.
Research teams from Greece, Denmark, The Netherlands, France, United Kingdom.
- * DECISION MAKING AND IMPAIRED CAPACITY
European Commission Research Project 1994-1996
Project coordinator: Don Evans, Centre for Philosophy and Health Care, University College of Swansea, United Kingdom.
Research teams from United Kingdom, Spain, Sweden, The Netherlands
- * EUROSCREEN: Genetic screening and predictive medicine; Ethical and philosophical perspectives, with special reference to multifactorial diseases
Euroscreen I: European Commission Research Project 1994-1996;
Euroscreen II: European Commission Research Project 1996-1998.
Project coordinator: Ruth Chadwick, Centre for Professional Ethics, University of Central Lancashire, Preston, United Kingdom.
Research teams from United Kingdom, Denmark, The Netherlands, Germany.
- * EUROETHICS: European Database Network
European Commission Research Project 1996-1999
Project coordinator: IDEM, University of Göttingen, Germany
Research teams from Germany, France, Sweden, The Netherlands
- * THE RELEVANCE OF VIRTUE ETHICS TO PATIENTS WITH CHRONIC ILLNESS
European Commission Research Project 1998-2001
Project coordinator: Alastair Campbell, University of Bristol, Center for Ethics in Medicine, Bristol, United Kingdom.
Research teams from United Kingdom, Italy, The Netherlands, Denmark.
- * PALLIUM: Palliative Care Ethics
European Commission Research project 1998-2001
Project coordinator: Henk ten Have, Catholic University Nijmegen, The Netherlands.
Research teams from Belgium, Sweden, Spain, Germany, Italy, United Kingdom and

- **External examining**

External examiner (Ph.D.), O. Hansen: 'Bioethics and related problems in medical ethics'. University of Copenhagen, Denmark (1995).

External examiner (M.A.thesis), Hilary Caruana, 'Ethical issues in the treatment of substance abusers'. University of Malta, Department of Philosophy (May 1999).

Habilitationskommission, Barbara Maier: Ethische Fragen in Gynaekologie und Geburtshilfe. Medizinische Fakultät der Universität Wien, Oostenrijk (19 June 2001).

External member of Committee for the promotion of dr. Helen Kalokairinou. Nicosia, Department of Classical Studies and Philosophy, University of Cyprus (27 March, 2002).

Member of Evaluation Committee for the thesis of Stefan Hjørleifsson: 'Genetics, risk and medicalization – A case study of preventive genetic technologies in Iceland'. University of Bergen, Bergen, Norway (29-30 May 2008).

External evaluator of the PhD thesis of Monika Wilson: 'Accompanying them home: The ethics of hospice and palliative care'. Queensland University of Technology, Brisbane, Queensland, Australia (November 2008).

External evaluator of the PhD thesis of Nicola Stingelin: 'The place of informed consent and the community assent in international public health interventions'. University of Basel, Switzerland (June 2011).

External examiner of PhD dissertation "When nature fails: A study of In Vitro Fertilization with embryonic transfer under Maltese Law". University of Malta, Msida, Malta (2013).

External reviewer of new Master in Clinical Ethics and Law, University of Malta, Msida, Malta (June 2012-)

INVITED PAPERS AND PRESENTATIONS

(INTERNATIONAL)

1986

"Ethics and Economics in Health care: a medical philosopher's view" presented at the Workshop Ethics and Economics in Health Care, Lisse, The Netherlands, September 1986.

"Doctor and patient: relationship or rivalry?", presented at the annual conference of the Society for Health and Human Values, New Orleans, U.S.A., October 1986 (with Gerrit Kimsma).

"Active euthanasia: the Dutch experience", presented at the Ethical Grand Rounds, Stritch School of Medicine, Loyola University, Chicago, U.S.A., October 1986 (with Dave Thomasma and Gerrit Kimsma).

1987

"Knowledge and practice in European medicine", presented before the members of the European Society of Philosophy of Medicine and Health Care, Maastricht, The Netherlands, August 1987.

1988

"Medicine and liberty in the Netherlands", presented before the members of the European Federation of Catholic Medical Associations, Versailles, France, May 1988.

"Clinical Medical Ethics", presented at the Second Conference of the European Society for Medical Decision Making, Copenhagen, Denmark, June 1988.

"Health care allocation", presented at the Workshop 'Values in European Ethics and Philosophy of Medicine', at the annual conference of the Society for Health and Human Values, Chicago, U.S.A., November 1988.

1989

"Care for the handicapped", presented at the First International Conference on the Future of Medicine: Asian and Western Perspectives, Bad Homburg, Germany, March 1989.

"Homo sanus. The Ethics of Health Promotion", presented at the Conference of the Hungarian Social Medicine Association, Szeged, Hungary, August 1989.

"European traditions in philosophy of medicine", presented at the Third ESPMH Conference, Czestochowa, Poland, October 1989.

1990

"Changing Conceptions of medical ethics", invitational lecture, presented to the Department of Theology, University of Oslo, Norway, April 1990.

"Toward a hermeneutic practice of medical ethics", invitational lecture, presented at the Center for Medical Ethics, University of Oslo, Norway, April 1990.

"Western European Perspectives on the history and foundations of bioethics". East-West Bioethics 1990, The Hastings Center Summer School, Dubrovnik, Yugoslavia, September 1990.

"Changing Conceptions in medical ethics", paper presented at the conference "The Future of Medical Ethics", organized by The Cambridge Medical Ethics Forum, Ampleforth, United Kingdom, September 1990.

"Foundations of Bioethics". Invitational conference. The Park Ridge Center for the Study of Health, Faith, and Ethics, Chicago, U.S.A., December 1990.

1991

"Physicians' priorities - Patients' expectations". WHO/ Saint Vincent Symposia on Trends in Ethics and Health Care: Health Care Systems in Transition: Rights, Duties and Health Policy, Saint-Vincent, Aosta, Italy, November 1991.

1992

"Das Menschenbild aus medizinischer und philosophischer Sicht". Presentation in seminar "Das Menschenbild im Wandel", Universitätstagen '92, Rathaus, Bocholt, Germany, March 1992.

"European documents on genetic counseling". Presentation in EG project on genetic counseling and the Genome project, Cardiff, UK, March 1992.

"Confidentiality and genetic data". Presentation in EG project on genetic counseling and the Genome project, Cardiff, UK, May 1992.

"Genetic screening". Presentation in EG project on genetic counseling and the Genome project, Aarhus, Denmark, July 1992.

"Embryo experimentation: moral reservations". Presentation at the Inaugural Congress of the International Association of Bioethics, Amsterdam, The Netherlands, October 1992.

"Genetic counseling; European perspectives". Presentation at of EG project on genetic counseling and the Genome project, Cardiff, UK, November 1992.

"European Ethics Committees", Presentation in In-Service Training Conference "Educating Healthcare Ethics Committees: A National Dissemination Project",

Chicago, Ill., U.S.A., November 1992.

"Euthanasia in the Netherlands: critical moral reflections". Paper presented at conference 'Managing Mortality. Ethics, Euthanasia and the Termination of Medical Treatment', organised by The Center for Biomedical Ethics, Minneapolis, U.S.A., December 1992.

1993

"Testing for CF gene". Icebreaking statement at Expert meeting of International Forum for Biophilosophy on "Updating Non-Directivity; The Ethics of Genetic Counseling", München, Germany, March 1993.

"Ethics and Genetics in the Netherlands". Paper at International Symposium "Forschungsfreiheit und Wertbindung", Arbeitsgemeinschaft katholisch-sozialer Bildungswerke in der Bundesrepublik Deutschland, Bonn, Germany, March 1993.

"Vorbereiding op de oude dag; reflecties op ouderenbeleid vanuit ethisch perspectief". Paper presented at conference "Solidariteit tussen de generaties; profiel van een op de toekomst gericht beleid in Europa", organised by the European Peoples Party in the European Parliament, Brussels, Belgium, April 1993.

"Theoretical models of bioethics", presentation at the European Bioethics Seminar, Nijmegen, The Netherlands, May, 1993.

"Choices in health care", presentation at the European Bioethics Seminar, Nijmegen, The Netherlands, May 1993.

"The ambivalent relationship of ethics and technology assessment", paper presented at the 7e annual conference of ESPMH, Oslo, Norway, August 1993.

"Medical ethics teaching in Nijmegen", paper presented at the Teachers' Training Course organised by the Akademie für Ethik in der Medizin, Loccum, Germany, September 1993.

"Medizinphilosophische Aspekte der 'Euthanasie' - Debatte in Holland", presentation during Arbeitsgruppe at the conference "Tod - Schweigen in der medizin; Ein medizinethischer Kongress für Studentinnen und Studenten", Aachen, Germany, October 1993.

"Tod - in Lehre und Studium", lecture at the conference "Tod - Schweigen in der medizin; Ein medizinethischer Kongress für Studentinnen und Studenten", Aachen, Germany, October 1993.

"Teaching programs in medical ethics in the Netherlands". Lecture at the symposium "Ethik-Unterricht im Medizinstudium", Medizinische Fakultät der Universität Zürich, Zürich, Switzerland, November 1993.

1994

"Suffering and quality of life". Presentation at EU BIOMED project 'The Ethical QALY', Aarhus, Denmark, January 1994.

"Beheerste of onbeheerste voortplanting". Lecture at Conference 'Voortplantingstechnologieën: impact op vrouw, man en samenleving', Interfacultaire Raad vrouw-Man-Universiteit, Katholieke Universiteit Leuven, Belgium, February 1994.

"Process of European research". Presentation at Core Group Meeting of EU BIOMED Project 'Euroscreen', Florence, Italy, May 1994.

"Clinical ethics and dialysis treatment". Lecture at First World Congress "Medicine & Philosophy - Sciences, Technologies, Values", Paris, France, May 1994.

"Annäherungen an die Medizin-Ethik". Lecture in the Postgradualer Lehrgang 'Medizin-Ethik-Recht', Zentrum für Ethik und Medizin, Wissenschaftliche Landesakademie für Niederösterreich, Krems, Austria, September 1994.

"New grounds for medical ethical research - developing practice oriented projects". Lecture at the X.Symposion 'Philosophie und Medizin': Theorie der Praxis. Rothenberge, Germany, October 1994.

1995

"Genetic screening in the Netherlands". Presentation at the meeting of the Core-group Euroscreen, London, UK, February 1995.

"From synthesis and system to morals and procedure: The development of philosophy of medicine". William Bennett Bean Symposium on Philosophy and Medicine, Galveston, U.S.A., February 1995.

"Medical and ethical history of physician-assisted suicide in the Netherlands". Conference 'The Ethics of Physician Assisted Suicide', St.Anne Institute, Doctors' Hospital, Tulsa, U.S.A., February 1995.

"Medical issues & Case study". Workshop at the conference 'The Ethics of Physician Assisted Suicide', St.Anne Institute, Doctors' Hospital, Tulsa, U.S.A., February 1995.

"Euthanasia in the Netherlands; Ethical and legal issues". The Gerontology Division and the Program in Ethics, Law & Humanities, University of New Mexico Medical School, Albuquerque, U.S.A., February 1995.

"European approaches to ethics in clinical medicine", Corso di Formazione sui Comitati di Bioetica, Progetto Etica e Medicina, Fondazione Lanza, Padova, Italy, March 1995.

"Bioethics in the Netherlands", Masters Program in Bioethics, Complutense Universiteit, Madrid, Spain, April 1995.

"Euthanasia: The Dutch experience", Real Academia Nacional de Medicina, Madrid, Spain, April 1995.

"L'Eutanasia in Olanda nella prospettiva del rapporto tra etica e diritto". Terza Giornata di Studio sulla Bioetica in Italy: "Etica e Diritto in Bioetica". Fondazione Lanza, Padova, Italy, May 1995.

"Evaluation of the Danish report on genetic screening". Core Group Meeting EU BIOMED Project 'Euroscreen', London, UK, May 1995.

"Ethics education in the Netherlands", Peking Union Medical College's Institute of Basic Medical Sciences, Beijing, PR China, October 1995.

"Eutanasia: la experiencia holandesa", Conference 'Morir con Dignidad: Dilemas eticos en el final de la vida', Fundacion de Ciencias de la Salud, Madrid, Spain, October 1995.

"Genetic Disease". Euroscreen Plenary Meeting 'Ethics of genetic screening', York, United Kingdom, November 1995.

"Medical research and the goals of medicine". Goals of Medicine Project, Postgraduate Medical University, Prague, Czech Republic, November 1995.

1996

"Das holländische Beispiel der aktiven Sterbehilfe". Conference 'Sterbehilfe - Handeln oder Unterlassen?', Universitätsklinikum Freiburg, Germany, January 1996.

"Ethical aspects of genetics at the beginning of human life. Christian democratic contributions to European policy". Symposium Bioethics, European Peoples Party, European Parliament, Brussels, Belgium, March 1996.

"The zapping animal. Oscillating images of the human person in modern medicine". International conference "Man - Medicine - Philosophy. Tradition and prospects", Collegium Medicum. Jagiellonian University, Krakow, Poland, May 1996.

"Waiting lists as a way of rationing". Conference 'Limitacion de prestaciones sanitarias'. Fundacion de Ciencias de la Salud, Madrid, Spain, June 1996.

"Las transformaciones de la Bioetica - Aspectos clinicos practicos". II Congreso Nacional de Etica Medica; Consejo de Medicos de la Provincia de Cordoba, Cordoba, Argentina, October 1996.

1997

"Diagnosis of problems in healthcare management from a European perspective". Primer Congreso Caribeno de Bioetica 'Agenda bioetica para el Caribe', San Juan, Puerto Rico, March 1997.

"Proposal from a European Perspective". Primer Congreso Caribeno de Bioetica

'Agenda bioetica para el Caribe', San Juan, Puerto Rico, March 1997.

"Ethics committees and moral experience - The interrelations of ethics and anthropology". Corso di Formazione sui Comitati di Bioetica, Fondazione Lanza, Padova, Italy, March 1997.

"Palliative care and euthanasia". Advanced European Bioethics Course 'Ethics and Palliative Care', Nijmegen, The Netherlands, April 1997.

"Geneticization and individual responsibility". Conference 'Developments in genetic screening; implications for health care professionals'. University of Central Lancashire, Preston, United Kingdom, May 1997.

"Ethical aspects of genetics at the beginning of human life". Internationalen Expertengespräch zum Thema "Grundlagen der Bioethik vor dem christlich-demokratischen Weltbild und ihre Konsequenzen für die Politik", Europabüro der Konrad-Adenauer-Stiftung, Brussels, Belgium, June 1997.

"Medizinische Forschung, Genetik und soziale Normalität - ethische Probleme". Gisela Eisenreich Vorlesung 'Ethik in der Medizin', Heinrich Heine Universität, Düsseldorf, Germany, July 1997.

"Medical ethics teaching in Nijmegen". First World Conference 'Ethics Codes in Medicine and Biotechnology', Freiburg, Germany, October 1997.

"Development of ethical competence". First World Conference 'Ethics Codes in Medicine and Biotechnology', Freiburg, Germany, October 1997.

"Ethical dimensions of the human genome project". Conselho Nacional de Etica para as Ciencias da Vida: Conference 'The capabilities and limitations of genetics', Lisbon, Portugal, November 1997.

"Geneticization". Advanced European Bioethics Course: Ethics and Genetics. Nijmegen, the Netherlands, November 1997.

1998

"Ethical aspects of palliative care". Schweitzer Regional Conference 'Medical Ethics; issues for the 21st century'. Budapest, Hungary, June 1998.

"Theoretical models and approaches to ethics". European Bioethics Seminar, Nijmegen, The Netherlands, August 1998.

"Choices in healthcare: The waiting list". European Bioethics Seminar, Nijmegen, The Netherlands, August 1998.

"Dimensionen des Lebens: Gesundheit und Krankheit". Internationale Mediziner Arbeitsgemeinschaft, Vienna, Austria, October 1998.

"Dimensionen des Lebens: Gesundheit, Krankheit. Gesundheitswesen und Krankenanstalten zwischen Realitäten und Visionen". Fortbildungsseminar, Institut für Ethik in der Medizin, Vienna, Austria, October 1998.

"Palliative care ethics in a European context". Instituto de Bioetica, Fundacion de Ciencias de la Salud: 1st Ateneo de Bioetica, Madrid, Spain, October 1998.
