

# WE'RE HONORED TO EDUCATE OUR NATION'S DIFFERENCE MAKERS

**Gain the knowledge and skills that can advance your military career, or leverage your military skills into new possibilities. We'll add depth, professionalism, and a greater sense of purpose to your aspirations. Through Duquesne's innovative business programs, you'll be in a position to choose your desired career as you transition from military to civilian life.**

You'll become the kind of ethical problem-solver who always thinks bigger—and whose ingenuity is driven by the ability to consider the big picture. Veterans bring a high level of ethical leadership, cultural intelligence and collaborative skills to Duquesne based on their years of service.

Our students are guided by the principles of honesty, fairness, accountability, transparency, and moral courage.

*"The reason I chose Duquesne for my Professional MBA was because of the impressive veteran outreach program and the quality of education.*

*I was a 10-year Aviation Officer and an AH-64D Apache attack helicopter pilot in the United States Army. I enjoy applying the knowledge and strengths I gained in my military experience to my civilian interests, which include analytics, finance, accounting, project management, system optimization, and leadership development."*
