

THE BAYER SCHOOL OF NATURAL AND ENVIRONMENTAL SCIENCES
Advisement and Pre-Graduation Review Form
 Certificate in Environmental Management

NAME _____

ID# _____

Required Courses (6 Credits)

	<u>CR</u>	<u>SEM</u>	<u>GR</u>
ENVI 551: Principles of Environmental Science	3	_____	_____
ENVI 531: Environmental Management	3	_____	_____

Elective Courses (9-12 Credits)

ENVI 520: GIS for Environmental Professionals	3	_____	_____
ENVI 533W: Writing for Env Professionals	3	_____	_____
ENVI 537: Environmental Conflict Resolution	2	_____	_____
ENVI 540: Environmental Law	2	_____	_____
ENVI 542: Sustainable Business Practices	2	_____	_____
ENVI 544: Public Policy & Environmental Politics	3	_____	_____
ENVI 570: Funds. of Air Pollution Prevention & Control	3	_____	_____
ENVI 571: Funds of Water Pollution Prevention & Control	3	_____	_____
ENVI 572: Funds of Solid/Haz Waste Pollution Prevention & Control	3	_____	_____

Fall Courses:

ENVI 501: Ornithology			
ENVI 503: Sustainable Agriculture	3		
ENVI 542: Sustainable Business Practices	3		
ENVI 556: Water, Environment, and Development	2		
ENVI 571: Water Pollution Prevention & Control	3		
ENVI 591: Environmental Hydrogeology	3		
BIOL 535: Vertebrate Anatomy, Dev, & Evolution	3		
ENVI 537: Environmental Conflict Resolution & Problem Solving	3		
ENVI 540: Environmental Law	2		

Spring Courses:

ENVI 502: Plant Biodiversity	3		
ENVI 549: Fate & Transport			
ENVI 570: Air Pollution Prevention & Control	3		
ENVI 572: Solid/Haz Pollution Prevation & Control	3		
ENVI 580: Fluid Mechanics	2		
ENVI 597: Applied & Environmental Microbiology	3		
ENVI 599: Microbial Ecology	3		
ENVI 670: Environmental Toxicology	3		

BIOL 522: Animal Behavior 3

Summer Courses:

ENVI 566: Terrestrial Field Biology 3

ENVI 594: Environmental Sampling & Analyses 3

ENVI 650: Conservation Biology 3

ENVI 693: Experience in Belize 3

BIOL 593: Graduate Studies in Biodiversity in Belize 3
