

Fourth Annual Three-Rivers IP and Tech Law Colloquium
Duquesne University School of Law & University of Pittsburgh School of Law

January 29, 2021
(Draft 3, as of Jan 12, 2021)

- In the interest of fairness to presenters, all participants are expected to read the draft papers or abstracts before the colloquium and attend all presentations.
- The emphasis is on discussion rather than presentation. Formal presentations are discouraged. Accordingly, 45 minutes have been allocated for the discussion of each paper. If presenters wish to introduce their projects, they may do so in under 5-10 minutes. The remaining time will be allocated for the discussion session.
- There is an optional pre-conference social hour on January 28 starting at 6:00 pm. On the day of the colloquium, there are health breaks in the morning and afternoon. We will also adjourn for lunch at 12:15 – 1:15 pm, and hold an optional post-conference social hour. In lieu of the customary pre and post-conference dinners, we will have social hours on Zoom with drinks/snacks of their choosing. All times are in Eastern Standard Time.
