

Dear fellow Duquesne Law alumni,

It is a privilege to serve as the new president of the Duquesne Law Alumni Association (DLAA).

I am calling on you to join the DLAA today or to renew your membership. Your membership is vitally important as it enables the DLAA to continue to support our fellow alumni and the current students.

The DLAA understands that the COVID-19 pandemic has inflicted financial hardship and uncertainty on individuals during this time, and although the world is making progress towards a new version of “normal,” we are not there yet. In recognition of this transition period, the DLAA has decided to cut dues in half for the 2021-2022 membership year as we plan to ease back into in-person events in the upcoming months, as safety permits. However, please consider making the full membership fee payment if you have the means do so, as the funds will support Duquesne law students as listed below. A portion of your dues is tax-deductible as a donation to the School of Law, which is a 501(c)(3) organization.

As a DLAA member, you will enjoy benefits such as:

- Exclusive networking opportunities, including professional and social events
- Discounts at reunion dinner and other events
- CLE discounts

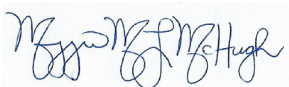

Your membership fees will support the School of Law by being applied towards these DLAA initiatives, among others:

- Law Alumni Association Endowed Scholarship
- Vision Fund
- Intensive Bar Preparation
- Career Services

As Duquesne Law alumni, we all celebrate the successes of our alma mater, whether it is excellent bar passage rates, our distinctive evening program, or our nationally ranked legal research and writing program. The School of Law has remained strong over the years with your help and support as a member of the Duquesne Law Alumni Association.

I thank you for your support and ask that you take a few minutes to complete the attached application or join online at duq.edu/DLAA.

Sincerely,

Maggie Lewis McHugh L'13
President, Duquesne Law Alumni Association
