

MATH MAJORS

**Are you looking for a
job or internship?**

**Do you need help creating a
resume?**

**Seminar: Employment Opportunities for
Math Majors**

Wednesday, February 19th

2:00 - 2:50 pm

College Hall 449

Coralyn McCauley from the DU Center for Career Development will provide a tutorial on Handshake, a free online system with access to hundreds of job postings. We will discuss how you can use Handshake, and other systems, to search for jobs related to your major major. We will also discuss how to design a resume that highlights your skills as a math major.

Refreshments will be served!
