Dear Colleague,

The School of Nursing is currently preparing for reaccreditation with the Commission on Collegiate Nursing Education (CCNE) for our Doctor of Nursing Practice (DNP) program. The virtual site visit is scheduled for September 13 to 15, 2021.

As part of the CCNE accreditation process, program constituents and other interested parties have the opportunity to submit comments, in writing, concerning the program's qualifications for accreditation.

At least two months before the scheduled virtual evaluation, we are required to notify our constituents of our upcoming reaccreditation. CCNE must receive written constituent or third-party comments 21 days before the scheduled virtual evaluation.

You may submit written comments by **August 23, 2021** to:

thirdpartycomments@ccneaccreditation.org

Please note that CCNE shares third-party comments with the evaluation team prior to the scheduled evaluation, but at no time during the review process are these comments shared with the program, the Accreditation Review Committee, or the Board. During its review of the program, the evaluation team considers third-party comments, if any, that relate to the accreditation standards.

If you have any questions about this process, please feel free to contact me at glasgowm@duq.edu or 412-396-6553.

Thank you and enjoy your summer!
