Make sure your course is listed for the tutor you have selected.

Not every tutor covers all courses. This is an important step.

Provide your tutor with information regarding the subject matter and have materials ready for appointment.

After you have entered all of the information click here to create appointment.

Using the drop down menu select the course in which you need assistance

If a tutor does online and face-to-face it is important that you select your meeting preference when scheduling the appointment.

This option only appears when a tutor is both online and face-to-face.

Meet Tutor Online?

No. Meet **face-to-face** at the center.

Yes. Schedule **Online** appointment.

If you choose an online appointment, log back in to this website approximately five to ten minutes before the start of your appointment. Then, open this appointment and click "Start or Join Online Consultation."

After you click create appointment your time will be reserved and you will receive a confirmation email from your tutor.

If your session is remote the tutor will email you a zoom link.
