PLEASE READ CAREFULLY

The Duquesne University parking permit is a license, not a bailment.

The purchase of a parking permit is authorization to park within a specified area or areas on University controlled property. No liability is created by the granting of parking or vehicle operating privileges on property owned, leased or otherwise controlled by the University.

All parking permits and proximity cards remain the property of Duquesne University and must be surrendered upon demand. Parking permits are intended for the exclusive use of the purchaser and are not transferable.

In any case, lack of space is NOT considered a valid excuse for violation of any parking regulation.
