

**Duquesne University**  
**Graduation Rates of Bachelor Degree-Seeking Students**  
**Freshman Cohort Fall 2014**

HEOA added provisions requiring that the graduation rates be disaggregated in the following categories:

|   | Bachelor's or equivalent<br>degree seeking sub cohort | Completed the program<br>in 4 yrs or less | Completed the program<br>in 5 yrs or less | Completed the program<br>in 6 yrs or less | Completed Bachelor's<br>within 150% |
|---|---|---|---|---|-------------------------------------|
|   | <b>Headcount:</b> 244                                 | 152                                       | 175                                       | 177                                       | 177                                 |
| 1) Recipients of a Federal Pell Grant               | <b>Rate:</b> 100%                                     | 62%                                       | 72%                                       | 73%                                       | 73%                                 |
| 2) Recipients of subsidized Stafford Loan           | <b>Headcount:</b> 385                                 | 274                                       | 298                                       | 300                                       | 300                                 |
| who <b>did not</b> receive a Pell Grant             | <b>Rate:</b> 100%                                     | 71%                                       | 77%                                       | 78%                                       | 78%                                 |
| 3) Students who <b>did not</b> receive a Pell Grant | <b>Headcount</b> 532                                  | 377                                       | 413                                       | 418                                       | 418                                 |
| <b>or</b> subsidized Stafford Loan                  | <b>Rate:</b> 100%                                     | 71%                                       | 78%                                       | 79%                                       | 79%                                 |
