Dear Mr. Gormley,

Please accept my congratulations on your appointment as the 13th President of Duquesne University. As a native son of Pittsburgh with impressive experience in the legal profession and higher education, you will serve the Duquesne community well in your new post.

As your colleague in higher education, I offer my assistance and that of Santa Clara University should you find that we might be of service. May God bless you with wisdom in your new role and give you all that is needed to lead the Duquesne University community in the years ahead.

Sincerely,
