

Kickball Rules

1. Each game will be thirty minutes long or 5 innings, whichever happens first.
2. Batting order must stay the same throughout; if a player bats out of order they are declared out.
3. Teams must be Co-ed, two female players must play in the field at all times. Not catcher!
4. Everyone on the roster can kick, if you have eight (8) players then seven in the field and a catcher. Two players in the field must be female. If you have seven or less you can play all players in the field, but you must cover home plate if there is a play.
5. Each team will throw to the opposition; each kicker is allowed two (2) pitches. Pitches ruled illegal will have to be thrown again. What constitutes an illegal pitch: If the referee decides the ball is unable to be kicked or if the ball is thrown overhand.
6. If the ball makes contact with the rafters, raised baskets, track fence, etc. and lands in fair territory the ball is live. Players in the field can catch the ball off the objects mentioned.
7. Runners can be ruled out if the fielders tag the runner, hit the runner with the ball or step on the base on a force out. If the fielders must throw below the shoulders on the runner; if the runner is hit in the head they are awarded that base.
8. There will be NO SLIDING! The player will be called out automatically!
9. Ground rules will be discussed at the event.
