

Tuberculin (TB) Skin Test Report

Pennsylvania Department of Education regulations require that student teacher candidates must have a tuberculin test prior to contact with students. These regulations apply to candidates assigned to the public schools as well as the staff.

Please have the test provider fill out the TB Test Form and submit it, along with any supplied provider report, to Cindy Cafaro in 214 Canevin Hall. Documentation may also be faxed to 412.396.5585 or emailed to cafarol@duq.edu.
