Information about the Middle States Commission on Higher Education

The Middle States Commission on Higher Education (MSCHE) is an institutional accreditor in the United States and is recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation (CHEA). MSCHE accreditation applies to an institution as a whole rather than the specific programs within an institution. MSCHE does not approve or accredit individual programs. The MSCHE accreditation review cycle is continuous and accreditation does not expire. Each institution is reevaluated and monitored on a regular and consistent basis in accordance with the institution’s assigned accreditation review cycle and Commission policy and procedures. An institution maintains its accreditation unless it is voluntarily surrendered or withdrawn by the Commission for cause, after the institution has been afforded due process. The institution’s current accreditation phase and accreditation status are displayed on the institution’s listing in the Institution Directory and in the Statement of Accreditation Status (SAS).
