Structure of 5-year accelerated SLP program at Duquesne University

1st year pre-professional phase
- Fall & Spring

2nd year pre-professional phase
- Fall & Spring

3rd year pre-professional phase
- Fall & Spring
- Clinical Observations: DU Speech-Language-Hearing Clinic

1st year professional phase
- Fall, Spring, & Summer
- Clinical Education: DU Speech-Language-Hearing Clinic

2nd year professional phase
- Fall, Spring, & Summer
- Clinical Education: Externship Placements in the Community

Students progress through the program without the need to reapply to the graduate phase or take GREs. Students earn a B.S. in Health Sciences after the Spring semester of the 4th year of the program and a M.S. in Speech-Language Pathology at the end of the 5th year of the program.

Curriculum model leads to optimizing learning and relationships.
