

THOMAS R. KLINE SCHOOL OF LAW

Pittsburgh, Pennsylvania

EMPOWERED TO LEAD. PREPARED FOR WHAT'S NEXT.

Thomas R. Kline School of Law of Duquesne University is centered in the heart of Pittsburgh, the second largest city in Pennsylvania. Small size classes shape our campus, which is a short three block walk to downtown and the many prospects it holds—including externships, clerkships, and job opportunities.

Because of our Spiritan tradition, our law students learn equity and opportunity begin at home and receive a law education based on ethical training and justice.

They also are prepared for anything, being involved in our legal research and writing program—a national leader—and gain valuable clinical experience. Our seven law clinics include live client experiences and court appearances. Whatever your goals are, they are attainable from here.

**In fall 2022, law alumnus
Thomas R. Kline,
one of the nation's most
influential and highly
regarded trial lawyers,
committed \$50 million
to Duquesne's 111-year-old
law school.**

This is the largest gift in university history and one of the largest gifts ever given to a law school in the U.S. This transformational gift is providing student scholarships, faculty grants for excellence in teaching and scholarship, and the law school's noted Bar Preparation program, new clinical offerings that benefit the community and other strategic priorities.

Welcome

FROM THE DEAN

Thomas R. Kline School of Law of Duquesne University is on an upward trajectory by every measure, as we continue to pursue our mission: to educate lawyers in the ethical practice of law; to preserve the highest ideals of our profession; and to promote justice and democratic discourse through leadership, service, and civic engagement. Since its founding in 1911, Duquesne Kline School of Law has provided a legal education rooted in ethics, justice, and the pursuit of truth.

We are the only Spiritan Catholic Law School in the nation, and we have welcomed all faiths and backgrounds from our inception. Our culture is rooted in creating a sense of belonging, so that you are able to flourish, not just academically, but fully in mind, body, and spirit. We believe that education is a path to empowerment, and we believe in cultivating lawyers with a leadership mindset who will impact our society in profound ways. As faculty, our intention is to walk alongside you as you learn and grow.

We are located in the center of a beautiful 50-acre University campus, adjacent to athletic fields and the student union. We are surrounded by nine other Duquesne University schools and colleges, including our new College of Osteopathic Medicine.

We are situated in Pittsburgh, steps away from law firms, courthouses, businesses, and government offices, providing our students with a wide variety of externship, clerkship, clinical, and employment opportunities. Additionally, Pittsburgh is known for its livability, affordability, three rivers, and many beautiful bridges—446 to be exact! Our city boasts a beautiful waterfront, a cultural district, an array of museums, an impressive culinary scene, and professional sports teams.

By coming to Duquesne Kline School of Law, you will be empowered to lead, committed to serve, and prepared for practice so that you can impact our society in meaningful ways. I hope you are inspired to join us in our service to a higher good and our mission to advance justice in our society.
