

MUSIC DEMO

- SAMPLE -

Full Name:

Jane M. Doe

Tell us your story:

Use this section to tell us about yourself and what role music plays in your life. We want to know what your musical journey has felt like, what your music-making moments have been, and what you want out of a music experience at Duquesne.

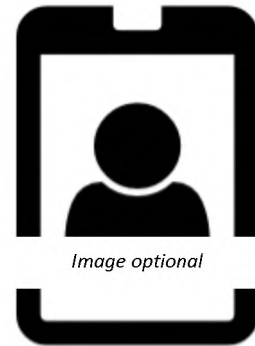

You are welcome to write in this section (300-500 words)

OR

share a short intro video link. Example:

My Intro Video

https://youtube.com/your_video

Music Media Links:

Music media supports overall musicianship, creativity, and artistry. Acceptable content is broad and may include original compositions, solo or ensemble performances, or other examples of music media. All media must be submitted as hyperlinks. Please include a brief title and/or description.

Examples:

One of my original compositions (sheet music and mp3)

<https://drive.google.com/> your file

My solo in the school musical this past spring

<https://vimeo.com/> your file

Performing with my Jazz Band (Take the A-Train)

<https://drive.google.com/> your file

Sound experiments using Logic software

https://youtube.com/your_video

Collection of various beats and grooves created in Ableton Live

<https://drive.google.com/> your file

Supplemental Information:

You are welcome to include additional information that supports your musicianship and artistry but is not shareable as music media content. Like a resume, you are welcome to list activities, experiences, and other music-making moments that have helped shape your passion for music.
