

2026-2027 Independent Verification Worksheet

Your **2026–2027 Free Application for Federal Student Aid (FAFSA)** was selected for a review process called **verification**, which is used to confirm that the information reported is accurate. Duquesne University will compare the information on your FAFSA with this worksheet and any required documentation, including **2024 tax information**. If differences are found, your FAFSA may need to be corrected, which could result in a change to your federal financial aid eligibility. Verification must be completed before certain types of aid can be disbursed, and **all required documents must be submitted within 30 days of the date of your original notification**. Failure to submit the required information by the deadline may result in delays, reductions, or cancellation of aid.

Please contact the Duquesne University Financial Aid Office if you have questions or need assistance.
