- Food, Crafts, and Trees, Oh My K-12, 1:30-3:00

Picture/Selfie and Scavenger Hunt & Activity

Grades K-12

(Included in registration packet)

Unlimited participants

Start your day by taking a picture outside of Hogan Dining Center with the Duquesne Duke mascot! In the registration packet, you will find a scavenger hunt. Throughout the day, find the clues to uncover mysteries, history, and fun facts about Duquesne University.

Hosted by: DUSAC, Department of Athletics, and the Office of Human Resources

Yard Games: Miniature Golf and Cornhole

Grades K-12

Kline Law School, Academic Walk, All Day

Unlimited participants

Join us for miniature golf and cornhole on the grassy side of A-Walk!

Hosted by: Thomas R. Kline School of Law

Emergency Response at DU Public Safety

Grades K-12

Public Safety Building

25 participants

Duquesne University Public Safety (DUPS) keeps everyone safe on campus. Join DUPS as they demonstrate emergency response, including calling 911, making and receiving emergency calls, and dispatching police vehicles.

Hosted by: DU Public Safety, Emergency Management & Environmental Health and Safety

Tour the Nursing Lab and Simulation Center

Grades K-12

Libermann Hall, 5th Floor

30 participants

Join us for a tour of the School of Nursing Learning and Simulation Center. During the tour, guests will see our state-of-the-art facility, including mannequin simulators, augmented reality, and simulated patient rooms.

Hosted by: School of Nursing

Kids Around the World Passport Activity

Student Union, 3rd Floor

Grades K-5

20 participants

Have you ever wanted to travel the world and learn about different people and cultures? Take an imaginary trip with us here at Duquesne! Create a passport that shows all the great places you have visited.

Hosted by: Office of Diversity & Inclusion, Center for Global Engagement

Visit the Curriculum Center

G Library, 5th Floor

Grades K-12

40 participants

Join the Library staff in the Curriculum center, and explore the books, games, puppets, and arts and crafts materials

Hosted by: Gumberg Library

K-6 Forensic Science Activity

Mellon Patio, Academic Walk Side

Grades K-6

20 participants

Participants will learn about and conduct age-appropriate forensic science activities, including fingerprinting with balloons, impressions in Playdoh, and making candy DNA molecules

Hosted by: Forensic Science and Law, School of Science and Engineering

7-12 Forensic Science Activity

Mellon Patio, AWalk

Grades 7-12

20 participants

Participants will learn about fingerprinting with a hands-on activity and perform a crime scene diorama study (sketch a scene). The dioramas were created to represent the work of Francis Glessner Lee, known as the “Grandmother of Forensic Science”. Students will get to find evidence hidden within the tiny scenes and determine what happened.

Hosted by: Forensic Science and Law, School of Science and Engineering

Instruments of the Band

MPSOM Room 322

Grades K-6
60 participants

Join our Music Education students as they perform a hands-on demonstration of various instruments that are used in middle school bands

Hosted by: Mary Pappert School of Music

Foods, Crafts, and Trees, Oh My!

Student Union 3rd Floor

Grades K-12
unlimited

Follow your nose to the smell of freshly popped popcorn in the Student Union. While you're there, grab a snow cone and help us to beautify the planet with a seed planting activity.

Hosted by: Mission and Identity

Football Skills and Drills

Rooney Field (weather permitting)

Grades K-12
Unlimited

Spend some time with the DU Football team to learn basic football skills and drills.

Hosted by: Duquesne University Football Team

Pittsburgh Pickleball

UPMC Cooper, Practice Gym

Grades K-12
unlimited

Join the DU Women's Volleyball team for a meet and greet and a game of Pittsburgh Pickleball! What is Pickleball? It is a paddle sport that combines elements of tennis, badminton, and ping-pong using a paddle and plastic ball with holes.

Hosted by: Duquesne University Women's Volleyball Team

I Scream, You Scream for Liquid Nitrogen Ice Cream

Mellon Patio

Grades K-12

Unlimited

Did you know... we can make ice cream instantly with liquid nitrogen? Join the School of Science and Engineering for a tasty treat of the special ice cream with strawberry DNA!

Hosted by: [PLU, School of Science and Engineering](#)

World of Drumming

Mary Pappert School of Music, Room 307

Grades K-12

25 participants

Dr. Rachel Whitcomb in the Mary Pappert School of Music invites parents and children to participate in an active drum circle. Faculty and students will lead musical activities. No prior experience necessary. Just bring your love of music

Hosted by: [Mary Pappert School of Music](#)

Magic Show with CS Professor, Andy Segal

Fisher 719

Grades 2-8+

40 participants

Come see Andy Segal, a magician and computer science instructor here at Duquesne, who's about to sprinkle a little magic into your day! Join us for a little bit of magic, a little bit of comedy, and a whole lot of fun!

Hosted by: [Department of Math and Computer Science](#)

College of Medicine: Meet the Skeletons

Lower Level of the College of Medicine Building

Grades K-6

20 participants

Meet our beloved skeleton models and build your bone knowledge!

Hosted by: [College of Medicine](#)

College of Medicine: Meet the Skeletons

3rd Floor of the College of Medicine Building

Grades 7-12

20 participants

Tour the Simulation Center, Use Ultrasound technology to play Name that Organ, have a CPR race, scrub into surgery and more!

Hosted by: College of Medicine

Exploring Computers and Technology with CTS

Rockwell Hall, Concourse Level Conference Room

Grades 7-12

12 participants

Exploring Technology with the CTS crew! Computer innards, Virtual/Augmented Reality, Network traffic visualization via “Wireshark”, Artificial Intelligence in Art and Music, and digital music production

Hosted by: Computing and Technology Services

Improv Performance, games, and activities

Genesisius Theater

Grades K-12

20 participants

Join the Duquesne University Red Masquers for games and activities centered around one of the silliest aspects of theater: improvisation, better known as improv! Coloring and mask painting will be happening at the same time, so stop by the Genesisius Theater for some creative fun.

Hosted by: Duquesne University Red Masquers

A Day in the Life of a Pharmacy Student

Bayer Pharmacy Building

Grades K-6

20 participants

Join the School of Pharmacy and their students from the Pediatric Pharmacy Association for a “Day in the Life of a Pharmacy Student” interactive presentation and then have fun competing for a trophy in “pharmacy races”. Everyone will also get a chance to have their photo taken in a white coat and envision what it may be like to be a pharmacist one day!

Hosted by: School of Pharmacy
