Making an appointment with your Advisor and a number of other staff members at the university is easy.

1. Go to Duquesne’s Student Support System called Starfish. Starfish is available on the DUQ App if using a mobile device or from DORI when navigating from a computer.

DUQ App:

DORI (go to Quick Links):
You will end up on your personal Starfish Dashboard:

2. Scroll down until you see the list of individuals in My Connections. Find the person you wish to schedule an appointment. In the example below, it is an Academic Advisor. Click on the SCHEDULE link.

3. Follow the prompts to make an appointment. Once complete, you will receive a confirmation in your duq.edu email account.
