Dear Student Plan Member,

We are writing to remind you that Highmark’s Student Plan has an age limit on coverage for pediatric vision and pediatric dental services.

Beginning Aug. 1, 2018, and as stated in your health plan’s benefit booklet:

- Coverage for pediatric vision services end on the first day of the month following your (or your covered dependent’s) 19th birthday
- Coverage for pediatric dental services end on the first day of the month following your (or your covered dependent’s) 19th birthday

If you are over the age of 19, vision and dental benefits are not available to you. See your benefit booklet for more details.

For questions about these benefits or your coverage, please call Member Service at the number on the back of your member ID card.

Sincerely,

Highmark Member Service
