Earn more than a Degree

Become the kind of problem-solver who always thinks bigger—and whose ingenuity is driven by compassion and empathy.

At the Palumbo-Donahue School of Business, you’ll learn to be a responsible leader and difference maker. Our passionate faculty combined with our business curriculum ensure you’ll gain the professional confidence, impressive experience, and powerful networks you need to get a running start on a meaningful career.

It’s time for bigger goals.
“The education that I received at the School of Business prepared me for an ever-changing workforce. Within the core curriculum, you’re exposed to all aspects of business processes. Real-world examples and projects developed by the professors allowed me to practice skills in a job-like setting, to truly gain a deeper understanding of the business world.”

This Isn’t Business as Usual

Want a career that matters? Duquesne can get you there.

At Duquesne, you will learn to make a difference in and for the world. You will experience how the business world is driven by ethical standards, moral values and a commitment to the greater good. And you will be driven by a sense of purpose that helps you take the lessons that you have learned in the classroom and apply them in the real world.
A Top–Tier Business Education

When you choose to study business at Duquesne, you’re choosing to earn a degree from a trusted, innovative leader.

The Palumbo–Donahue School of Business is accredited by AACSB International, the Association to Advance Collegiate Schools of Business.

Other sources also recognize the quality of a Duquesne business education. For example, Bloomberg Businessweek, Princeton Review and U.S. News & World Report have consistently named us among the top business schools in Pennsylvania and the nation.

Duquesne ranks among the country’s Best Undergraduate Business Schools 2021 by Poets&Quants for Undergrads. This elite ranking is based upon student academic experience, student qualifications and career outcomes. Poets&Quants ranks us in the top 15% of an already elite group of schools holding the ‘gold standard’ of accreditation by AACSB.
Flexibility and Variety

Choose from programs of study that provide the skills you’ll need to reach your full career potential.

- Accounting
- Business Analytics (co-major)
- Economics
- Entrepreneurship
- Finance
- Information Systems and Technology
- International Business Certificate
- Management
- Marketing (concentrations in digital marketing and analytics, professional selling and sports marketing)
- Supply Chain Management
World-class Learning Spaces

You’ll benefit from our world-class learning spaces equipped with the latest technology used in business today. Students have access to our state-of-the-art Centers of Excellence in entrepreneurship, professional selling, supply chain management, business ethics, investment strategy and sustainable business innovation. These centers support applied learning, innovative research and interaction with business leaders and entrepreneurs.
A Global Perspective

You can enhance your college experience and professional credentials through study abroad.

Take courses in one of the University’s more than 35 study abroad locations, including Duquesne satellite campuses in Dublin, Ireland, and Rome, Italy. You can even travel with other business students for summer fieldwork overseas.
Pittsburgh: A Great Place to Launch a Business Career

When you choose Duquesne, you’ll be studying at a respected university in a city renowned as a center of technical innovation and global business.

Located in the heart of Pittsburgh, our campus is park-like, secluded, and safe. Our students jumpstart their careers through internships with Fortune 500 companies and other organizations, many of which are within walking distance of campus.

Engage with a Global Network of Alumni

Our students graduate ready to take on the world. They get jobs at great companies like PricewaterhouseCoopers, Amazon, Google, Apple and WESCO International, and are accepted into top graduate and professional schools across the U.S., including Carnegie Mellon, Notre Dame, Duke and Columbia.
Be a difference maker!

Our practice-oriented curriculum offers you the chance to make an impact while also earning course credit. You’ll work on an Innovation Challenge in your first class and have several opportunities to be involved in corporate projects, new business launches and real-world investments.

Our passionate faculty, many of whom have decades of experience and extensive industry connections to share in small classes, provide you with individualized attention.

You will think like an entrepreneur, sell your ideas and lead with integrity.
“The academic and professional resources at Duquesne’s School of Business are second to none. The willingness from the professors to assist you in learning the material, executing on it, and ultimately finding an internship or job creates a welcoming atmosphere that makes going to class a truly enjoyable experience.”
