Dear Duquesne Student,

WHETHER YOU ARE AN UNDERGRADUATE OR GRADUATE STUDENT, residing off-campus is a much different experience from residing on-campus. Living off-campus provides more freedom and independence, but also greater responsibility. All students who do not reside in University housing are considered to be commuter students.

Many Duquesne students choose to live on the South Side. It is an amazing area in which to live and is one of Pittsburgh's most unique neighborhoods. The community (from Station Square to the South Side Works) is lined with interesting shopping, dining and entertainment. The South Side offers plenty to explore. One of the richest aspects of the South Side is the residents who make it their home.

Whether you live on or off-campus, you represent Duquesne University. The manner in which you interact with your neighbors is a reflection of your role as a Duquesne student. We encourage you to take pride in being a good neighbor. Please get to know your neighbors, provide them with your phone number and acknowledge them when you see them. We encourage you to become active members of your community and always treat your neighbors with respect. Remember that as a Duquesne student, you are expected to uphold the Mission Statement, Expectations of a Duquesne Student as well as abide by the Student Code of Conduct found in the Duquesne University Student Handbook.

You are sharing a community with young professionals, families with children and older adults. It is important to recognize that their lifestyles and schedules are very different from yours. Please keep your property clean, monitor the behavior of your guests and be a good neighbor.

Duquesne's Office of Commuter Affairs is committed to supporting you in your experience as a commuter student. We work closely with several community organizations including the South Side Community Council, South Side Block Watches and the Chamber of Commerce. This collaboration creates positive interactions for all South Side residents, students, businesses, visitors, etc. We also follow-up on complaints regarding the behavior of Duquesne students, living or visiting the South Side neighborhood.

Please be a responsible community member by enjoying and respecting the South Side in the same manner you do your permanent home and the Duquesne campus.

Sincerely,

Timothy M. Lewis
Director, Office of Commuter Affairs
Duquesne University
Dear
Off-Campus Student,

STUDENTS CHOOSE TO LIVE OFF-CAMPUS throughout the City of Pittsburgh for many reasons such as close proximity to campus, affordable housing and to experience the uniqueness of our local neighborhoods.

Your community is home to a variety of individuals including life-long residents, families with children, young professionals and other students. They are proud of their neighborhood and work hard to keep it clean, safe and prosperous. As a resident in this community, you now have these same obligations.

In addition to greater freedom, living off-campus comes with greater responsibility. Your neighborhood has specific community codes and standards. It is important you become familiar with them and abide by them. No matter where you reside, you are a representative of Duquesne University and are expected to live up to the Duquesne University Mission Statement and Expectations of a Duquesne Student subject to the policies and guidelines outlined under the “Code of Student Rights, Responsibilities and Conduct.”

As a Duquesne University student, I expect you to be a good neighbor and responsible community member. Make every effort to get to know your neighbors. Be considerate and respectful of the people and places that have welcomed you to their neighborhood. Remember the importance of service and make every effort to participate in community service opportunities in your area.

Also, remember that you are still a member of the Duquesne University community. You should continue to take advantage of all the programs, activities and services that Duquesne University has to offer.

I hope you enjoy living in your neighborhood and have a successful and productive year.

Sincerely,

Dr. Douglas K. Frizzell
Vice President for Student Life
Duquesne University

Good Neighbor Tip:
When you move in, introduce yourself to your neighbors and exchange cell phone numbers in case they ever need to contact you. It is also helpful in case you ever need something or have a question for your neighbor!
Important

City of Pittsburgh Ordinances

Social Host and Underage Drinking
You should know that the City of Pittsburgh has a Social Host and Underage Drinking ordinance. A host, which is defined as a person who owns, leases or is in possession and control of the residential property where a gathering takes place, may not, knowingly or with constructive knowledge, conduct or accommodate a gathering including underage drinking. Any host who violates the ordinance shall be subject to a fine of up to $500 or, in default thereof, imprisonment not exceeding 72 hours.

Prohibiting Non-Permitted Occupancy of Rooftops
No person shall occupy or use the roof or roof overhang of a building when such roof is not designed and permitted for such occupancy by the City Building Code, except when performing repairs or maintenance of the roof or in an emergency situation, or where expressly permitted by a lease agreement.

Occupancy Ordinance
Students who live off campus should be advised that according to City of Pittsburgh Code, no more than three unrelated individuals are permitted to reside together in one rental housing unit.

Good Neighbor Tip:
Keep noise at a reasonable level.
The city has quiet hours between 10 p.m. - 7 a.m.
A Message from DU CARES

- You can choose your behavior, but you cannot always control the consequences of that behavior. Keep that in mind.
- The drinking age in Pennsylvania is 21. There are no exceptions to that law. Failure to abide by this law can have serious consequences.
- Alcohol is not a legitimate excuse for bad behavior. While some people will dismiss behavior under the guise of “Well, he was drunk. What did you expect?” This is not an adequate response. We expect that someone who drinks will stop drinking before they stop thinking. You are responsible for your behavior. The more alcohol you consume, the less control you have over your behavior. Stay in control.
- Excessive alcohol consumption rarely leads to something good, but often when people get in trouble because of alcohol it is because of the excess. One candy bar may be good, seven may make you sick. For those with a peanut allergy, even one can cause severe problems. Alcohol is not so different.
- You are responsible for the behavior of your guests while they are at your residence. If you serve alcohol, you are responsible for them to some degree even after they leave. There is a reason why bars have “We Don’t Serve Visibly Intoxicated Persons” policies. They share the responsibility for their guests’ behavior.
- While you want to have fun and see your friends, do so without violating the rights of others (especially your neighbors). If there are cups outside, clean them up. Stress to your guests that it is not OK to urinate on the neighbors’ lawn or garage. These are your neighbors! Treat them with respect and dignity – and encourage and expect your guests to do the same.

If I can be of any help, or if you have any questions, please feel free to contact me (Dan Gittins) at 412.396.5834, gittinsd@duq.edu or in my office in Assumption Hall.

A Message from the Office of Student Conduct

KNOW THE CODE!

Be aware of University policies and consequences for violating them. www.duq.edu/student-conduct

BE A GOOD NEIGHBOR

- On Campus
- In the Classroom
- In the Local Community
- Wherever you are, you are an ambassador for Duquesne.

MAKE GOOD CHOICES!

The Student Handbook applies to behavior that occurs both on and off campus.
Amnesty for Student Drug or Alcohol Violations

A student(s) and/or organization(s) may be reluctant to seek medical help for themselves or others because of potential disciplinary consequences. The Amnesty Policy seeks to remove barriers that prevent students from seeking necessary medical attention and to ensure that the health, safety, and wellbeing of members of the Duquesne community is a primary concern.

Students and/or organizations are expected to contact the Department of Public Safety at 412-396-2677 when they believe that medical assistance is needed for an individual. The Department of Public Safety will assist the individuals by directing fire and ambulance emergency crews to the scene or by taking other protective measures. When off-campus, students and/or organizations are expected to call 9-1-1.

Students and/or organizations that seek assistance from these sources, the individual assisted, and others involved will not be subject to University disciplinary action with respect to violations of the Code of Conduct concerning drugs or alcohol. Individuals who call for medical assistance are expected to remain with the intoxicated student until help arrives. Further, all parties involved are subject to timely completion of recommended alcohol/drug education activities, assessment, and/or treatment depending on the level of concern for student health and safety. Serious or repeated incidents will prompt a higher degree of concern. Failure to complete recommended follow-up will normally result in disciplinary action. Likewise, organizations involved in an incident must agree to take recommended steps to address concerns.

Student organizations that fail to seek immediate medical assistance for members or guests in need of attention will likely be charged with violations of the Code of Conduct and face dissolution or termination as the outcome of such charges. It is imperative that student organizations seek medical assistance for their members or guests in such an emergency situation.

Finally, Duquesne considers the reporting of alleged violations of sexual misconduct to be of great importance to our campus community. To encourage reporting, students reporting alleged violations of TAP 31 may be granted immunity from student conduct charges for possession or consumption of alcohol or drugs. See TAP 31.

Good Neighbor Tips:
Let your neighbors know if you plan to host a gathering.
You are responsible for your guest’s behavior – even as they leave and walk through the neighborhood. Ensure they are respectful of your neighbors. Do not let them ruin your reputation.
Know who your guests are!
Being Greek and Residing on the South Side

Duquesne University has long supported the fraternal movement given the direct relationship between our mission and the purposes and espoused values of the college fraternity. Since its founding in 1878, the heart of Duquesne's Mission is serving God by serving students through the profound concern for moral and spiritual values. In addition, fraternity men and sorority women take an oath to our respective Greek values and principles, which charge us to be better men and women.

This shared or common mission includes preparing ourselves to become productive members of society and good citizens of the world. As Duquesne students and Greek affiliated brothers and sisters, we are expected to uphold our stated values by maintaining a high standard of conduct at all times, regardless of whether we reside on campus, live off campus, or commute from home. Inappropriate behavior on or off campus will be equally addressed. Such behavior is in conflict with the University’s goals and may warrant direct involvement by the Office of Greek Life, Honor Societies and Professional Organizations and the Greek organizations respective judicial or conduct boards.

If you choose to reside off campus, your new neighbors will include families, alumni, senior citizens and students like yourself, all with different daily routines. As a result, cooperation and respect is needed to ensure an enjoyable living experience for everyone. For more information, please contact 412.396.6651 or jamrozikr@duq.edu.

Residential Parking Permit

The Pittsburgh Parking Authority enforces Residential Parking Permit (RPP) zones in the neighborhood. To park in an RPP zone, you must have a valid RPP permit or a valid RPP Visitor’s Pass. Otherwise, your car or guest’s cars are subject to being ticketed.

RPP permits and Visitor’s Passes are enforced using vehicles mounted with license plate recognition technology. On a monthly basis they check more than 20,000 license plates parked on streets in just the South Side. So make sure you enroll your car in the program before you park!

For more detailed information on permit parking zoned areas, requirements, application options, etc., please visit www.PittsburghRPP.com. You may also contact the RPP office at 412.560.2500 or rppinfo@pittsburghparking.com.

Good Neighbor Tip: Maintain your property and during the winter be sure to shovel your sidewalk.

Borrow a Shovel for Snow Removal

During the winter months, it is important you understand your role in snow removal in your community. We strongly urge you to read your lease to see if you are responsible for snow removal around your house/apartment. In order to assist you, Duquesne University has purchased two shovels that students may borrow from the South Side Chamber of Commerce, located at 1100 East Carson Street. If you will need to borrow a shovel, please contact the Chamber before visiting by calling the South Side Welcome Center at 412.431.3360 or emailing info@southsidechamber.org.

Their core hours of operation are 10 a.m. to 4 p.m. Monday through Friday.

Be a **Wonderful** and **Respectful Neighbor**

The following are suggestions to build a good relationship with your neighbors and foster a healthy community in which to live.

- **Know your neighbors**: It’s always a good idea to introduce yourself to your neighbors, and to create and maintain a positive relationship with them. Exchange cell phone numbers with them and let them know to contact you if they ever have any concerns.

- **Greet your neighbors**: Demonstrate an interest in them. Make an effort to meet them and learn their names.

- **Get involved with your neighborhood**: Be an active member of your community.

- **Lend a hand**: Your neighbors will appreciate any help you offer, so look out for opportunities to lend a hand.

- **Keep noise to a reasonable level**: Whether you like to host social gatherings, listen to loud music, or play video games, you should always be aware of the noise you are creating. The use of outdoor speakers is never a good idea.

- **Maintain your property**: Your neighbors care about the exterior of your home, and litter outside may make things seem “out of control.” Make sure to keep your lawn and sidewalks clean and clear! Take pride in your residence.

- **Take out your trash**: It’s important to know when your trash pick-up days are so that your trash is out at the appropriate time.

- **Be cautious when parking**: Be considerate of your parking habits and avoid taking numerous parking spots, blocking sidewalks and driveways and always consider safety implications.

- **Watch your speed**: Make sure to pay special attention to the children, elderly and pets in your neighborhood.

- **Keep drinking age in mind**: If you are serving alcohol at your residence, ensure your guests are of legal drinking age. It is illegal to provide or serve alcohol to minors, and there are consequences for these acts.

- **Host friends, not parties**: Large parties create noise, trash and parking problems that your neighbors may not appreciate. Keep your gatherings to a minimum and at appropriate times.

- **Take responsibility for your guests**: While at your residence, your guests are your responsibility. Instruct them to respect your neighbors’ property and the community.

- **Report suspicious activity**: One thing your neighbors certainly value is the safety of their community. Therefore, if you see any suspicious activity in the area, it’s always a smart idea to report it!

- **Respect local codes and ordinances**: Be aware of any local codes and ordinances that may be in effect, as these were developed to protect you and your neighbor’s rights.

- **Remember to represent Duquesne University**: Lastly, it’s essential to remember that even when you’re away from campus, you are still a representative of the Duquesne University community. Being a respectful neighbor will ensure a positive experience for you, your neighborhood and the University.

---

**Good Neighbor Tips:**

- Let your neighbors know when you will be away for breaks.
- Dispose of trash properly! It matters!

Renters Insurance
Protecting Your Property

Renters insurance is an insurance policy that provides most of the benefits of homeowners’ insurance.

Renters insurance does not include coverage for the dwelling, or structure, with the exception of small alterations that a tenant makes to the structure. This provides liability insurance. The tenant’s personal property is covered against named perils such as fire, theft and vandalism. The owner of the building is responsible for insuring it, but bears no responsibility for the tenant’s belongings. If you are still on your parent or guardian’s insurance, you may be covered by your parent’s home-owners’ insurance. Your car insurance provider may offer renters insurance.

Safety Tips

- You should never walk alone. However, if you must walk alone, have a plan and travel in lighted and well traveled areas.

- When walking you should walk facing traffic. Be cautious of drivers that stop to talk.

- BE AWARE of your surroundings! Giving the appearance of not paying attention and not alert is what offenders look for in a victim.

- Always tell someone where you’ll be and what time you are going to return.

- Do not wear headphones while walking or jogging.

- Do not read while walking or standing on the street.

- If you feel that you are being followed: Cross the street, change directions, keep looking back.

- TRUST YOUR INSTINCTS: If something “feels wrong”, something probably is wrong.

- If you find yourself in a situation with an assailant, don’t be afraid to loudly call for help.

- Keep doors and windows locked at all times; check to make sure your locks are working properly.

- Do not leave your car keys or valuable items in the open where they would be easily found.

- Do not invite strangers, or just casual acquaintances, into your home where they will have the opportunity to case your residence.

- Lock your bedroom door while sleeping; keep your laptop, car keys and other valuables in your bedroom.

- If you are home alone and believe someone has unlawfully entered your residence, call 911 immediately – tell the dispatcher your address and where you are located within the house. Yell out to the intruder, “I have called the police, you better leave!”

- Do NOT go onto rooftops! Doing so is NEVER a good idea.

Updating Your Addresses and Emergency Contact Information in DORI

In order to be in compliance with federal regulations concerning student location, and to assure the efficient and effective delivery of important University communications, all students are responsible for maintaining current and accurate addresses and telephone numbers at all times.

Students will be prompted at the beginning of each semester to log on to DORI and use Self-Service Banner to review and update addresses as well as emergency contact information. Any necessary changes must be made no later than the final date of registration for each semester. Failure to do so will result in student conduct charges.

BE SAFE

with BYSTANDER INTERVENTION

Sexual violence, relationship violence, sexual harassment and bullying are coercive behaviors and are supported by patterns of disrespect and peer pressure. Working together we can change these patterns with Bystander Intervention. As a responsible bystander, you can play an important role in promoting a culture of profound respect for the dignity of each person.

By understanding this role and being aware of problematic situations, we can all be effective proponents for a safer community. For more information on Bystander Intervention and Bystander Awareness, go to the website listed below for steps to action and techniques to try.

Moving Out Information

Move Out Checklist

Check your lease for your move-out period notice.
Notify the landlord prior to the deadline, in writing, of your intent to stay or to move out after the lease term.

Be sure to pay your last month’s rent.
You cannot substitute your last month's rent with the security deposit.

Clean the property thoroughly.
A thorough cleaning job includes removing all tacks, nails and tape from the walls. It also includes replacing any light bulbs that are burned out.

Document the condition of the property.
Once this has been completed-and, ideally, once you move your furniture out, complete a move-out checklist and take pictures/video (just like you did when you moved in) to show in what condition you left the property. You also want to do a walk-through with the landlord, so that you can inspect the property together.

Cancel all utility, cable, internet, etc. accounts.
Ensure that you call all of your utility companies directly to schedule a date to disconnect all your utilities. Remember your bills have to be paid in full before you are permitted to close your accounts.

Return all keys.
You might want to have your landlord sign something indicating you returned all keys.

Provide your landlord with a forwarding address.
If you want your security deposit back, you must provide your landlord with a forwarding address.

Review your lease for procedures regarding the return of your security deposit.

Welcome To The South Side

Dear DU students,

Welcome to South Side for those of you who are moving into the neighborhood for the first time. Welcome back to those who are returning. As a resident of the South Side and president of the South Side Community Council, I want to say that we are pleased that you have decided to make South Side your home while you attend Duquesne University. Really! You add youthful energy and life to our community and are part of the fabric of who we are.

At times, however, there can be tension between residents and students and I would like to make the following suggestions so that you can focus on your studies while also being a productive member of our neighborhood.

• Introduce yourself to the neighbors on your street. If you don’t see them, write them a note letting them know that you have moved in. Give them your contact info and ask that they reach you if there are any concerns. (We also ask our residents to do the same.)
• Remember that you are in a neighborhood where people live close by. The houses you are in were not meant for parties of 30, 40+ plus people. If you chose to have your friends over, please remember to keep the noise level to a minimum, end at a reasonable time and clean up after your guests.
• Your roofs, unless you are fortunate to have a real rooftop deck, were not meant for you to sit on. It is dangerous and there is a city ordinance against it.
• Lock your cars and don’t leave anything of value in them. Even if you are running into the house for a minute or two, lock your cars. Theft by auto is one of the top crimes in our neighborhood and throughout the city.
• Packages on stoops can be stolen. You may want to place a note on your door asking that they be placed in the yard, behind a gate, etc. You can ask a reliable neighbor if they can be dropped off in their yard or use the UPS store in the 1700 block of E. Carson.
• Living on your own includes maintaining the property where you live.
  - Trash accumulates on a daily basis and the city has refuse regulations that need to be followed. Remember that your trash should be stored in cans with lids and out of sight. If you don’t have enough trash cans, please contact your landlord.
  - Keep your sidewalk clean especially after trash collection day and remember that you are responsible for shoveling your sidewalk in the winter. If you don’t have a snow shovel and salt, ask your landlord who should be happy to supply them.
• If you have the time, get involved in community events. Tim Lewis, Director of Commuter Affairs, will keep you apprised of what is happening.

South Side is a great community in which to live. It is always a joy to see former Duquesne students, who lived in our neighborhood while in school, decide to rent or purchase a home here after graduation.

Best wishes for a great school year!

Good Neighbor Tips:
Do random acts of kindness such as shoveling snow from your neighbor's walkway, cutting their grass or asking if they need something when you are going to the store.

Say hello when you see your neighbors outside. A friendly smile or wave can go a long way in creating a pleasant atmosphere.
