From the DLAA President

Dear fellow Duquesne Law alumni,

It is once again a privilege to serve as your president of the Duquesne Law Alumni Association (DLAA).

This is the time of year I normally call on you to join the DLAA or renew your membership. Membership in the DLAA is vitally important, as your dues enable us to continue to support our fellow alumni and the current students. However, our “normal” has drastically changed in the wake of COVID-19. I know that many of you are facing hardships and uncertainty.

Our current students are also facing hardships and uncertainty during this time. They will be learning in an atmosphere that none of us could imagine; one that requires them to engage with their professors and classmates virtually (at least part of the time). Many have seen job opportunities evaporate or become non-paying positions.

This year, I am asking you to **DU (Law) More** for our alma mater. By joining the DLAA, our dues will directly support our students in a number of ways:

- COVID-19 Student Emergency Fund
- Bar Prep Program
- Career Services

As Duquesne Law alumni, we all celebrate in the continued success of our Law School. The School of Law has remained strong over the years with your help and support as a member of the Duquesne Law Alumni Association. A portion of your dues is a tax-deductible as a donation to the School of Law.

You will still be able to take advantage of discounts on online CLEs, and networking opportunities when we are able to again meet face to face. Until then, I thank you for your support and ask that you take a few minutes to complete the attached application, or join online at duq.edu/DLAA.
