Mid-Term Feedback / Progress Report

This form should be utilized as a companion to the AOTA Fieldwork Evaluation for mid-term review. This form is to be completed by the student and discussed with the fieldwork educator prior to the student’s mid-term review. It is hoped that this document will assist the student in identifying personal strengths and areas of growth, as well as facilitating discussion between the fieldwork educator and the student regarding student status and performance at mid-term. While it is not necessary to return this form to the Academic Fieldwork Coordinator; if student or instructor notes concerns on the review, then those concerns should be shared with the Coordinator.
