WHAT IS A BURGH BUCK?

What are they?
Burgh Bucks are a special orientation currency created to reward you for any enthusiasm, dedication, and excitement you demonstrate while attending events.

How do I earn them?
By coming to events throughout the week, meeting new students and team leaders, and exploring Duquesne and everything the city of Pittsburgh has to offer!

What do I do with them?
There will be a burgh buck auction at the end of the week where you can bid for various prizes, including an XBOX, Beats headphones, Apple AirPods, signed sports memorabilia, concert tickets, and many more experiences around the city!
The more Burgh Bucks you collect, the better the prizes you can WIN!
The Office of Orientation strives to ensure that every students’ transition to campus is as enjoyable as possible. We strongly encourage that every new freshman and transfer student attend all Orientation events regardless of their status as an on campus resident or commuter. We hope this information below will help you navigate orientation week, but do not hesitate to call or email us at 412.396.6641 or orientation@duq.edu if you have any questions.

While we understand that attending every event throughout the week might be difficult for commuter students, a few mandatory events are required for all students. Those events are listed on our website at www.duq.edu/orientation as well as in the preview schedule included in this mailing packet. Please plan accordingly to ensure you are on campus for these events! We have also put together a list of some frequently asked questions that may be helpful in planning for Orientation 2019: Begin. Build. Become.

FAQ’s:

Where do I register for Orientation?
As a new student at Duquesne, you are automatically registered in the new student Orientation program. All commuter students must check-in at the Office of Commuter Affairs located in Room 115 of the Duquesne Union. Students will be able to check-in on Monday, August 19th during Commuter Pre-Orientation or between 8:30 a.m. and 4:30 p.m. during the remainder of the week. When you check-in, you will receive your Orientation schedule and name tag that will allow you access to all Orientation events and meals.

Where do I park during the week of Orientation?
Students will be given a special pass when they check-in that allows them to park in one of the garages on campus during Orientation week. Students who have the opportunity to be dropped off are encouraged to do so.

Are meals provided for commuter students?
All meals during the week of Orientation will be provided at no additional cost to new students. In order to receive meals, students must show their Orientation nametag and Student ID, beginning with breakfast on Wednesday, August 22nd running through dinner on Sunday, August 26th.

Keep an eye out for your invitation to Commuter Pre-Orientation. If you have any questions or concerns until then, please contact the Office of Commuter Affairs at 412.396.6660 or visit their website: http://www.duq.edu/commuter-affairs
