To the Parents of the Incoming Freshman Class,

We are incredibly excited to welcome you and your student to the Duquesne family! Our names are Taylor Martin and Natalie Sleighter and we have the pleasure of serving as the Parent, Transfer, and Adult Learner (PTAL) chairpersons for Orientation 2019. While we have many responsibilities within the Orientation program, one of our primary goals is working with parents to ensure that your preparation for move-in day and orientation week is stress-free and enjoyable. Whether you are from twenty minutes or twenty hours away, we hope that orientation week serves as a warm introduction into our Duquesne family that establishes this campus as a new home away from home in your child’s life.

Perhaps you are already a professional when it comes to preparing your child for college, or maybe this is your first experience and you have tons of questions and concerns. Regardless of your situation, we want these next few months to run as smoothly as possible for your family. As current undergraduate students ourselves, we have a plethora of experiences and knowledge regarding on campus living, dining, tutoring, transportation, and everything that exists in between. If you have any questions from now until move-in day, please do not hesitate to reach out to our personal emails listed below or call the orientation office at 412.396.6641. If we are unable to answer your questions, we will do our best to put you in touch with the proper individuals on campus that will best serve your particular needs. We hope you have a wonderful rest of your summer and cannot wait to meet you in August!

Sincerely,

Taylor Martin
