Winning design(s) will be used to promote the 2021 Virtual Undergraduate and Graduate Symposium

Here’s what to do:

1. Create a unique, eye-catching design (or image) that will be used on our advertisements and program booklet for the Undergraduate and Graduate Research Symposium. Please avoid simply using campus images. We are looking for something that stands out.

3. Please submit your design as a plain image with no words. If you would like to submit an additional sample using generic text, you may do so.

4. Visit www.duq.edu/urss and click on the "Archive" tab to view previous year's program booklet designs.

5. DEADLINE for entries is Friday, October 2. Submit designs via email to Mary McConnell, mcconnellm@duq.edu.
