The district intends to reopen for full in-person learning next school year. "As the number of vaccinated individuals increases and covid-19 restrictions decreases, we are looking forward to the safe return of students for five days a week in-person instruction this fall," Superintendent Anthony Hamlet said at a virtual news conference Friday.

The Mentor teachers have opened their doors to us for a year. Especially during such a difficult time, their help, support, and mentorship should be appreciated. How would you like to Thank them?
